HACK4GOV 2023 Finals (National Level)

October 2023 - CERT-PH DICT

Team CAPTCHA | 2nd Runner Up

I am thrilled to share that I played an essential role as a member of Team CAPTCHA, securing the remarkable accomplishment of winning 2nd place in the Hack4Gov 2023 Finals. This national-level Capture the Flag competition, held on the 16th day of October 2023 at the prestigious Manila Grand Opera Hotel in Sta. Cruz, Manila, centered around the theme "Building Cyber Champions: Stronger Nation through Cyber Awareness and Action." Our success reflects not only individual proficiency but also the collaborative strength and strategic skills of Team CAPTCHA in the evolving and challenging cybersecurity landscape.

ZEBRA Programming Challenge (RAITE 2023)

October 2023 - 6th Regional Assembly on IT Education

PCB Team | Champion

I am delighted to highlight our victory in the Zebra Programming Challenge at the 6th Regional Assembly on IT Education (RAITE 2023). This significant competition, organized and conducted by PSITE Central Luzon, was held on October 20, 2023, at the AUF Sports and Cultural Center, Angeles University Foundation, Angeles Pampanga. The achievement demonstrates my commitment to excellence in programming and problem solving, as well as my commitment to staying ahead of technical difficulties in the ever-changing sector of IT education.
